1. What is your connection or interest in this case? * For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

I am a customer of the Company that is the subject of the pending proceeding, seeking a huge rate increase.

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

I do not believe a rate increase is needed at this time; rather I prefer to see TCWS, use the large past rate increases to insure we get fewer "boil water" messages on our home phone, regular and correct billings, based on accurate meter readings; and maintenance of the old pump houses on many streets in Tega Cay.

3. Do you wish to make an appearance at a hearing in this proceeding, if scheduled, and offer sworn testimony? *

Not available at this time.
